

Nick Godkin is a Melbourne-based Production Sound Recordist, providing location recording services both in Australia and internationally.

With close to two decades of practical experience in the sound departments of productions for film and television, Nick has worked extensively on Feature and Television drama projects, documentary films, commercials and corporate videos.

Nick is a professional working in a field he loves, and he brings energy, enthusiasm and dedication to every production he crews on. Friendly and reliable, he fits easily into a team and takes a calm, clear-headed approach to problem solving.

Armed with an extensive collection of the latest recording gear, he's equipped to get crisp, clear sound recordings in just about any environment, with a minimum of fuss.
