STUDIO / FILM CATERING

Whether you're in a paddock, at a studio, or on a backyard location...

Rocket catering provides a unique service for the film and television industry in and around Melbourne.

No truck fees, no equipment hire fees*, we include disposable plates and funky wooden cutlery.

We will deliver to you on site, set up, and clean up, what could be easier?

It could be a simple sandwich lunch for a working crew, a hot buffet for a cast of thousands, or individually boxed lunches on the run. All POA - we like to design every menu for you with your budget in mind.

We have a great relationship with all our clients and have lots of repeat business. We look forward to working with you soon.

Feel free to call Tony on 03 9421 6611 – this is a line direct into the kitchen and is manned from 6am to 5pm.

We do it, we do it well, and it tastes great!

No Sunday catering, sorry guys.

*On rare occasions we may have to charge equipment hire if tables, chairs, crockery etc is required. Again, we would let you know BEFORE the event.
