CAREER SUMMARY

I have combined work, study and travel throughout the last 25 years enabling me to work in a number of industries. Career highlights include working in TV, film, TV commercials and professional theatre. Other work has included positions in such varied industries as hospitality, retail and management, through to travel and tourism, finance and the fitness industry.

Specifically in television, film and TV commercials, I have worked in dozens of roles in a number of departments. These range from positions producing, in production and post-production through to camera, art department, assistant directing, research, casting, audience warm-up and location management.
