Zev's experience as both a stunt performer and stunt co-ordinator covers a diverse range of stunt work including: wire work, car and heavy vehicle stunts and crashes, motorcycle stunts, fire stunts, high falls, stair falls, fight sequences (including historical and martial arts), horse action sequences, boats & water stunts etc. The regularity with which his name appears on some of our best loved productions is a testament to the high regard with which he is held by his peers in the film and television industry.
