**Bio:** I am a passionate storyteller committed to bringing compelling human stories to the widest possible audience no matter the format or genre. After over 10 years with a focus in production I am now moving more in the AD department and looking for more work as a 2<sup>nd</sup> Assistant Director.

I am a previous recipient of the Screen Producer's 'One's to Watch' program and in 2018 my career-highlight to date would be producing the landmark ABC documentary '*Gatwick: Last Chance Hotel*' which was nominated for an AACTA award in 2019.

In advertising I have production managed or line produced over 150 TVC's from 2008 to present with companies like The Pound, First Floor Films (AJF), Guilty, Positive Ape, The Sweet Shop, Taxi Film, Dentsu Aegis Network, Clemenger BBDO, Fiction Film and more.

I am fully proficient in the following software: Movie Magic Scheduling, Movie Magic Budgeting, AtoZ Budgets, Adobe Premier Pro, Photoshop & Indesign.
