// FILM MAKER IN WAITING // DIRECTOR IN TRAINING // ACTOR ON A COMEBACK // SHARK LOVER

ABOUT ME:

I have built up a career in the film industry as a hard working, highly organised, multi tasking, problem solving (insert various exceptional adjectives here) Coordinator across a range of departments. I have also recently got back into Theatre both as a performer and acting coach/director. I thrive best when being challenged both creatively and analytically, and ideally want to merge both concepts together in my working career, with a goal of Directing/Producing.
