FEEDBACK

"Huge thank you... a terrific job covering everything. Super thorough and sounds great, very much appreciated" – *Cihan Saral, Dialogue Editor – Total Control, Season 1 – July 2019.*

"Thanks so much for all your fantastic work on Harrow Season 2! Just wonderful work and testament was in the ADR sessions which were all predominantly added lines or requests for change of performance. Technicals were so minimal in comparison! Look forward to working with you again." – *Livia Hanich, Post-Production Producer, Harrow, Season 2 – June 2019.*

"We are currently editing the original dialogue on *Dora The Explorer* and I have to say your sound has some of the best radio/lav mic onset recording my team have ever heard. Not sure how you did it Dane but it is making our lives so much easier. Huge appreciation and respect!!" – *Gillian Dodders, Dialogue Editor – February 2019.*

"Dane... it was a pleasure working with you on 'Harrow'. Your persistence to get the best sound is very important. I actually hate ADR and always prefer the 'live' performance sound... Your team did an amazing job too. Always working and adapting to achieve the best" – *Peter Andrikidis, Director, Harrow, Season 2, Feb 2019.*

"You did an amazing job, as was perfectly illustrated by our tiny ADR bill!" – *Tim Bartley, Producer, True Story (Series 1) With Hamish & Andy (Channel 9, 2017).*

"Since he first worked with us on Downriver, Dane has become an essential member of the Happening Films team and will always be my first choice for Sound Recordist" – *Jannine Barnes, Executive Producer – Happening Films – 2018.*
