

HYUNDAI IMAX 8 SEAT PEOPLE MOVER

The perfect vehicle for recces, for pickups or for on-set transportation. It's spacious, in perfect condition and professional looking. Seats 1 driver and seven passengers comfortably and has a large boot for gear.

It comes equipped with dual phone charging stations, or 1 phone charging station and one power outlet. It also has separate front and rear air-conditioning and heating.

You will save money and time on rental car drop-offs and pickups, and it's easily the most economical 8 seater on the road fuel-wise. There are no extra insurance costs, and all round will cost much less than a commercial car rental.
