Profile

The winner of the Australian Cinematographer Society's 2017 Emerging Cinematographer Award; with his background as a writer, story is the primary driver in Mark's work, and the result is images that capture more than just movement and light. Since graduating from The University of Melbourne's School of Creative Arts in 2008, he has shot a broad range of projects both locally and overseas; from narrative, to commercials, music videos and branded content.

He made his feature film debut with the psychological thriller 'Aiden'; and recently wrapped principal photography on the Bollywood picture 'Zia', starring Academy Award Nominee Eric Roberts; and the gritty period drama 'Choir Girl'. Other recent projects include the multi award-winning first-person horror film '2:00am'; the time-travelling romance 'Broken Sleep'; the sci-fi action thriller "The Last Man"; and the gruelling true story 'Ghost', about the incredible life of the convict William Buckley.

Mark is also the Producing Director for Australian segments of the hit UK TV Show 'Laugh Out Loud', and is a Full Member of the Australian Cinematographers Society.
