To Whom It May Concern:

Shellyce Ryan completed two weeks work experience at our grooming salon & pet store in 2008 and did an excellent job. We were pleased to invite Shellyce work on Saturday mornings a short time later and she has proved to be reliable, punctual and thorough happily taking on a range of activities.

DOB: 19-03-1993

Shellyce was given a variety of tasks including:

- Cleaning animal enclosures and bird cages
- Feeding animals (including mice, rabbits, guinea pigs, hermit crabs, kittens, fish and various birds)
- Assisting with dog grooming including use of the hydrobath and dryer
- Customer service (including using the till and EFTpos machine)
- Shop and salon cleaning (dusting, vacuuming, mopping)
- Stocktaking and restocking shelves

While quiet in personality, Shellyce performed these tasks with confidence and a positive attitude. She understands instructions well and was capable of working through her tasks with little or no direct supervision.

Shellyce clearly enjoys handling the animals but understands the need to be business-like in the shop environment. Having pets of her own proved valuable in her ability to handle all sort of pets. She was happy also to greet customers and serve them when she was able.

We have enjoyed having Shellyce work with us over the past year and recommend her to any future employer.

To Whom It May Concern,

I am writing this letter of recommendation for Shellyce Ryan, Shellyce has been refereeing basketball for VBRA Knox for over two years now and I have been her supervisor over this time, she has been a joy to work with and have as a basketball referee on any session.

Shellyce is a very hard working person; always putting her best efforts into anything she tries and always seeks learning opportunities. Her willingness to work hard and continued learning has seen her progress very well with her refereeing which has led to Shellyce mentoring and teaching younger referees and enabled her to develop more skills such as decision making, communication and dealing with conflict on the basketball court. I have never had an issue with Shellyce and her punctuality; she is always on time and always conducts herself with professionalism on and off the basketball court.

I highly recommend Shellyce for employment. She is a team player and would make a great asset to any organisation.

If you have any questions about Shellyce I would be happy to discuss with you

Kind Regards
