LOCATION SOUND RECORDING

SOUND EDIT AND DESIGN - DIALOGUE AND EFFECTS

My skill is to help people feel at ease - through respectful, sensitive, easy-going communication - to tell their stories. 25 years of audio post production informs the requirements for location work and optimal sound.

- Exceptional post audio production history
- Cheerful, even-tempered crew member
- Passionate traveller

Chickaboom Sound offers a wide range of services including location recording, sound effects & dialogue editing, foley ADR recording and mixing for all your production sound needs.
