CAREER HIGHLIGHTS

I have filmed the world over - in places as diverse as the UK, France, Belgium, Turkey, Thailand, Fiji and the Solomon Islands as well as all over Australia and New Zealand.

- Flying, boating and filming on glaciers, lakes, oceans, mountains and islands
- Getting 3 tonnes of equipment and 45 people in and out of Lady Elliott Island in one day
- Spending 3 days on a Navy Frigate from Sydney to Adelaide
- Seeing stunts come to life and everyone going home safely
- The building of a pirate ship and a full-on battle inside a studio
- The beautiful scenery on location in Australia, New Zealand and Europe
- Coordinating the lockdown for six city blocks at a time
- Having the opportunity to work with a variety of directors such as Gia Coppola, Henrik Hansen, Alex Proyas, Anne Fontaine, Kriv Stenders, Eliot Rausch, Vincent Jermone, Armand de Saint-Salvy, Peter Bloomfield, Dean Blumberg, & Jeff Preiss and their producers: Christophe Nader, Mary Livingston, Lee Thomson, Josh Jenkins, Anna Stuart, Emilia Schardt to name but a few....

PHILOSOPHY

- Filming – how fortunate am I work in such a marvellous creative environment? My philosophy? There are no problems, only solutions.
- I am flexible, a team player, and I have a positive, calm, happy disposition.
- You want to go where? Okay, let's go there!
