Studio Manager

Production Manager: Jump Productions, VIC

Jul 2016 – Jun 2018

Managing Production of TV Commercials and online jobs. I was responsible for booking crew, studios, locations (including permits & parking), equipment, catering and travel. I created all call sheets and production booklets. When required I would also scout locations, source props, be responsible for child welfare and client estimates.

Studio Manager: Daylight Studios, VIC

Nov 2013 – Jul 2016

The face of the Photographic Studio, that maintains and runs the hire space. I conversed with clients in pre-production to guarantee their shoot days run smoothly and on time with all set builds, equipment, outsourcing and catering complete. I was responsible for all admin and invoicing using MYOB software and looked after the business's social media accounts.

Studio Manager/Photographer: The Original Packshot Company, UK

Jan 2010 – May 2012

Managed a team of 14+ individuals (photographers, stylists and re-touchers) regularly exceeding targets set by the client. I was responsible for providing basic photography training and video editing skills to staff in the UK and around Europe. I set weekly targets and organised the product daily, communicating within all levels of the product process to guarantee images where provided on time.
