

## Experience

I am an experienced Location Scout and Manager with over 15 years experience. Having worked on various projects, including major feature films, large-scale commercials and television series, I am able to scout and manage a variety of locations. I have experience working in various countries including the UK, New Zealand, Spain (Canary Islands), Malta, United Arab Emirates (Dubai), Namibia, Morocco, Canada and Norway. I have a working knowledge of Spanish and basic level of French. The highlights of my experience are listed below.

|   |                                     |         |
