Jasmine Rose Burrridge

Location Manager - Fixer - Scout

Email: jasmineroseburrridge@hotmail.com

Personal Profile

I have over ten years' experience working as a **Location Manager, Fixer and Scout**. I have worked for: Sony Pictures, Paramount, Legendary Pictures, Warner Bros, Film Nation Entertainment, Lionsgate, Netflix, Apple TV, Amazon, Channel 4, BBC, BBC2, ITV and The Garden TV. I founded *Uncharted Locations* in 2017 - an international location fixing service. I am a specialist in fixing locations in the UK, mainland Europe and Australasia. I have a special interest in Creative Producing and Presenting for factual formats. Fluent in French and experience working in remote and foreign locations.

Key Skills

- Networking and communication – the UK, mainland Europe, Africa and Australasia.
- Relationship development - proven record of obtaining access to difficult and delicate locations. Confident and experienced engaging with Producers, Directors, Production Companies, Studio Execs and Government Agencies.
- Creative thinker and problem solver - with an eye for detail and a knack for adjusting approach to fit the environment.
- Fluent in French with translation experience.
- Organizing, scheduling, negotiating skills and budget management experience up to £1,000,000.

CREATIVE PRODUCER AND PRESENTER

Present

Gitonga- Everest 2023

Currently producing a feature length documentary on the Kenyan Hiker Gitonga; who is aspiring to climb Everest in 2023. Gitonga's mission is to inspire a generation into following 'what makes their hearts sing' and to protect and conserve the natural places on their doorsteps. If, successful in his ascent, Gitonga will be the first black Kenyan to climb Everest.
