Personal Statement

I am professional, mature, positive, adaptable, on time and trustworthy with a good work ethic. Observant with an eye for detail.

I consider myself friendly and able to communicate effectively with a wide variety of people and various situations.

Over the years I have built up an extensive reference library and made many helpful contacts outside of the industry assisting with product placement, background research and advice.

Willing learner, always up for adding/learning new skills.

I love a positive 'can do' attitude towards life and work.

Please do not hesitate to contact me on the above details should you wish to discuss in detail any of my former positions and duties of employment.
