Personal Email: michael@locationmanager.com.au

Business Email: michael@thefilmgroup.au

I am a successful location producer with strong physical production, operational and business experience, acquired over 30+ years in the Australian film industry.

An experienced location project manager/producer with a proven track record in delivering projects in the fast paced and demanding film and entertainment industry. Combines excellent organisational and interpersonal skills with a clear focus on building partnerships with stakeholders and delivering projects on time and on budget. A strong work ethic combined with a passion for problem solving and delivering great outcomes.

Experience includes working for local and international companies assisting them navigate the Melbourne and Victorian context, including regulatory approvals from local and state government agencies. Always focussed on achieving the objectives of the project brief in a collaborative manner, mindful of safety and regulatory considerations.

PROFESSIONAL PROFILE

- I'm a results-oriented business manager and developer focused on Film, TV built on a knowledge of Australian locations & production techniques, from small scale productions to large, international feature films.
- My management experience spans across multiple fields from people, partnerships, policy, process and technology implementation and or transitions as well as financial incentives, government engagement and infrastructure design and location production consultation.
- I have extensive behind the scenes experience in all aspects of location producing/management from development/budgeting to completion.
- I have established a trust based global network from 30+ years in physical production at all levels of the industry. From producers, production managers and film commissions to local and state government agencies.
- I have proven experience in planning & directing productions to optimise organisational structures, processes, reporting systems and infrastructure to maximize implementation results in film & television production.
- I instil an inclusive, empowered culture by establishing priorities, defining specifics, objectives, and limitations. Accountability & responsibility are key.
- Strong creative skills with a good photographic eye. Ability to work and adapt a creative brief.
- Excellent research, organisational, planning, communication, and management skills.
- Strong abilities with problem solving, public relations, negotiation & prioritisation of work.
- A strong awareness & appreciation of client service, communications, and workplace health & safety including effective business relationships with internal stakeholders.
- Owner / Director - Gaffney Film Services Pty Ltd.
- Co-Owner / Director - The Film Group Pty Ltd.
