I began my filmmaking career as an actor in the 1985 Crawford Production *The Henderson Kids II*. This was followed by various roles, including in the feature film *Spotswood*, and the ABC telemovie *Boy Soldiers*.

After deciding to move behind the camera in the late 1990s, I was given the opportunity to be involved on the set of a television mini-series as a 3rd Assistant Director. Since then I have been the 1st Assistant Director on highly acclaimed Australian feature films and television series, including *Balibo*, *Snowtown*, *Partisan* and *Galore*.
