Costume Designer.

Bio

**Katherine is a Melbourne based costume designer with over twenty years of experience in film, television and commercials.**

**Her design credits include Killer Elite starring Robert DeNiro and Jason Statham, Season 2 of NBC's La Brea and Blacklight with Liam Neeson. Most recently she has just completed filming on Ricky Stanicky, a film by academy award winning director Peter Farrelly, starring Zac Efron and John Cena.**

**Originally from Auckland New Zealand, Katherine began her career on the cult classic TV series Xena and Hercules. Since then she has worked continuously in costume on both local and International film productions.**

**Katherine thrives working in the collaborative creative ecosystem of film and television production. She embraces each new design challenge and loves to create authentic characters and their worlds through costume.**
