

RPS COMBO

REGO – YMG 272

9.5 metres long, 3.6 metres tall and 2.4 metres wide.

This makeup/ wardrobe combo has been busy in the industry for 8 years strong. 2 separate doors lead to both a makeup room and a wardrobe room which are both 3metres long and 2.2 metres wide. It also has a male/female toilets on the rear which it make it perfect for TVC's and small dramas.

The makeup section at the front of the vehicle has 2 separate makeup stations with large mirrors, fluoro lighting, multiple power points and plenty of cupboards and storage. There is also a hair wash station (hair wash chair available on request) and a sink. It comes with 2 professional Comfortel makeup chairs. It has its own Fujitsu split cycle heater/air conditioner.

The wardrobe side has steel racks, a washer/dryer combo, a sink and it's own Fujitsu split cycle heater/air conditioner. There is ample power outlets for steamers and irons. There is storage available above the racks and above the sink and work bench. This section also has the potential to be converted into an room for a 3rd makeup station. The racking section becomes an area for storage cupboards, and the entire truck becomes a 3 station makeup truck with male/female toilets at the rear. This is perfect for small dramas.

The truck can be powered off mains supply, or it runs off its own 7kva Honda generator. All stairs have hand rails for safety. This combo has a water tank that can hold half a tonne. It has two separate waste tanks for the toilets, and grey water tank for the sinks.
