I am a Melbourne-based AD who takes great pride in my work. I genuinely feel that no task is too small, or challenge too big. My attention to detail and positive presence on set have enabled me to contribute to a great variety of AD teams over the last 10+ years.

2022 has been an excellent year professionally, working as 2nd AD on *Summer Love* in Fairhaven on the Victorian Surf Coast from February to April. Then from May to December I enjoyed a busy schedule as an Additional AD on various shows, primarily *La Brea Season 2*, *Better Man*, and *The Clearing*.
