

# Green Room

A brand new, state of the art Green Room Truck, providing two separate and lockable retreats for your film and television stars, each with their own air conditioner, toilet and shower facilities.

The lounges feature a Smart TV, a Blu-Ray/DVD player, and a sound system with Bluetooth pairing, radio, CD and iPod capability.

Each has a comfortable couch, desk and chair, coat rack, as well as a selection of magazines and movies for entertainment and relaxation.

The bathrooms have freshly laundered towels, bath mats and face washers, as well as a selection of soaps.

Please get in touch with all your shoot details for a detailed quote.

## Rates
