

CAROLE SNIBSON

REGISTERED NURSE

CONTACT: FREELANCERS PROMOTIONS: 03 96822722

Professional Profile

Completed General Nursing Training based at the Royal Childrens Hospital, Melbourne. Completed in 1987 Critical Care Course (ICU) at Alfred/Epworth Hospitals with employment in this specific field over the course of three decades. Additional qualification from UNISA in 2014 as qualified Allergy Nurse and ongoing work in Specialist Allergy Clinic in conjunction with ICU. I pride myself on being approachable and able to identify and treat according to first line measures of first aid and reassurance of the patient when addressing their needs. The ability to escalate level of care and response required in a calm manner.

Communication with all parties concerned along with accurate medical report submissions for all incidents that require ongoing attention or advice for follow up care.

All Covid related protocols and recording adhered to according to current government standards.

Comprehensive First Responder Advanced kit including Defibrillator at hand. EpiPen provided.

Covid related supplies in additional kit including multiple thermometers.

Annual competencies in Basic Life support Adult and paediatric with Defibrillator use.

Health Status: Covid Vaccinated
