Professional Summary

A hard-working and dedicated filmmaker, seeking work in the film & television industry. Primary interests include writing & directing, with experience in editing and roles like gaffer, 1st and 2nd assistant camera, data wrangler. A passionate storyteller and thrive when working with a team to help realise a vision. Most past work has been short narrative films, however open to, and hoping to branch out and work in different fields of the industry, such as feature film, television, music video, commercial, etc.
