## CAREER SUMMARY

A dynamic Relationship Manager with a solid career, managing logistics and major operations in the entertainment and hospitality sectors. A creative thinker, planner and communicator with a key focus on building and strengthening relationships with people at all levels. Uses sound judgement to find solutions promptly in environments that are challenging and with constant change.

With business and project outcomes in mind, uses effective interpersonal skills to negotiate and influence key stakeholders and lead teams with trust and respect. Discreet, empathic and insightful when managing complaints, by actively and constructively listening, assessing and placating people and resolving situations quickly and with integrity.

## EMPLOYMENT HISTORY

**Location Manager/ Scout/ Assistant, Art & Stand By Assist, Cast Assistant      2008 – Current**  
**Driver, Runner and General All Rounder/ People's Champion- Film and Television (Australia)**

Reporting to the Producer/Creative Director, represents each film/TV production when scouting, securing and contracting filming locations. A key focus is on logistics coordination, stakeholder management and creative problem solving in a fast paced, high pressure environment.

- Gain detailed understanding of film shoot by reading the script, translating visual information and consulting with the Producer and Director(s), to clearly identify scope of film locations and general aesthetics.
- Provide leadership to the location staff and oversee planning and project through providing the right level of guidance and challenge for the team to meet objectives.
- Manage resources including the recruitment of pre-production staff.
- Establish and maintain relationships with Location Owners, Crew, Council, Traffic Management and general public using effective interpersonal skills throughout pre-production, filming and post production.
- Liaise with local council staff to address potential issues or conflicts and arrange relevant licences and permits.
- Build networks and connections across the film industry through reputation, word of mouth and scouting.
- Sound commercial acumen, when working to production budgets, negotiating with Location Owners on fees and terms and providing accurate details to finance team to process payments.
- Manage and maintain safe work practices at all times in accordance with OH&S policy.
- Contribute to production meetings by providing updates across departments.
- Adapt quickly to changes in location film dates and manage logistics and communications accordingly.
