ABOUT ME

Hello I'm Nick Hepburn

I have worked in the art department since the early 2000s, gaining experience in a variety of roles both on and off set. I've had the privilege of collaborating with many wonderful art department crews on films, drama, and TVC productions of all sizes. I am skilled at leading a team, working as a team member, or working independently. My proven abilities include set dressing and decorating, prop making, scenic painting, hand-brushed signwriting, decal and frosting application, and many other creative tasks. My passions are making art, playing music, and being a dad in the Dandenong Ranges.
