ABOUT ME

I am a very motivated, strong willed and driven person. I set high goals for myself to achieve, and love a good challenge. I thrive on diversity and have a strong desire to learn from others and grow. I easily adapt to new situations and environments, and get along with people courtesy of my fun loving, outgoing personality. I work well on my own and also in team environments. I am also a natural leader and push hard to reach goals for the team and myself.
