EQUIPMENT

Sunday Lights boasts an extensive equipment inventory featuring top brands, maintaining a commitment to staying at the forefront of lighting technology. Ruru collaborates with some of the industry's finest lighting console operators, to refine workflows to ensure faster and more efficient setups on set. Sunday Lights primarily utilize the Grand MA 3 lighting console for its versatility and control, while also integrating faster run-and-gun systems without compromising on lighting quality. Additionally, we have established trusted relationships with suppliers, ensuring seamless operations and access to the latest equipment. Sunday Lights is able to customize a lighting package to suit both the creative & budgetary needs of any project. Feel free to contact us for a comprehensive equipment list.
