ABOUT

RUBY THOMAS is a freelance producer based in Naarm / Melbourne. With almost ten years of experience working in the film industry, Ruby has worked on a range of productions, from large scale long form to short form projects including TVCs, branded content, short films, web series and music videos. Ruby has worked under distinguished producers and directors locally and internationally, most notably as Directors Assistant on Amazon Prime's Rings of Power series, working directly with JA Bayona and Belén Atienza (*The Society of Snow*, *The Orphanage*, *Jurassic World Fallen Kingdom*, *The Impossible*), and Charlotte Brändström (*Rings of Power*, *The Outsider*, *The Witcher*). In 2022 Ruby worked in Spain on JA Bayona's Oscar nominated film, *The Society of Snow*, as a Producer's Assistant alongside Belén Atienza and Sandra Hermida. Ruby has returned to Australia with an unparalleled drive to create content that has a lasting impact with audiences and to crew on productions with like-minded creatives.
