

**Me**

For the past 25 years, I have honed my craft as a Photographer, Director of Photography (DP), and Director across both Australia and various international locations. My experience spans a wide range of projects, including short and long-form films, television commercials (TVCs), still photography campaigns, and many other creative endeavours. As a creative collaborator and dedicated team player, I thrive in dynamic environments where teamwork and innovation come together to bring visions to life.
