---

**About Me:**

I am a highly motivated person who has the ability to focus and work well under pressure and to work autonomously and collaboratively within a team. I have a keen attention to detail and excellent communication skills and able to liaise with all levels of management and departments. My computer skills in both Mac and PC are strong and I have an advanced knowledge of Excel and Word.  
I enjoy working in the fast paced, unpredictable and creative environment of the Film & TV industry which always challenges me and find enjoyment in constantly learning new skills. I have had and continue to have a life long love affair with telling stories, which is why I am attracted to working in this creative and exciting industry.

---
