## BACKGROUND

Sam is an Emmy-nominated gaffer with over 20 years of experience lighting high-profile film, television, and commercial productions, both locally and internationally. He has worked on major projects, including the highly anticipated *Wolfman* (2024) from Blumhouse, the Emmy-winning Netflix series *Sweet Tooth* (2023), the cult horror *Hearteyes* (2024), and the award-winning tv series *The Luminaries* (2021). With a keen artistic eye, Sam enjoys the creative exchange with the Director of Photography, using innovative lighting techniques to enhance both storytelling and the visual atmosphere of every project he works on.
