ART DIRECTOR/SENIOR MODEL MAKER

Memoir of a Snail

Oct 2022 - Sep 2023

2024 Stop motion, claymation feature by Adam Elliot. As Art Director I was responsible for overseeing the construction of all assets including over 200 sets, 200 characters and more than 2500 props. All hand made. Working with my team of over 30 creatives we hit our target of 80% complete in the 16 weeks of preproduction, and hit 100% well ahead of schedule meaning we had the time to do rebuilds for re-shooting. I also built most of the vehicles used in the film.
