PROFILE

I have extensive experience in hair and make-up across a number of roles within film, television and the advertisement industry. With over 16 years as a makeup artist and 23 years in hairdressing, I take great pride in my work and enjoy the varied challenges of the job. I believe my wide-ranging experience allows me to quickly assess and understand the needs of each individual. I appreciate my time with people which helps me ensure they have an enjoyable experience.
