

Anne Westcott Set Location Nurse

0412 618 540

annewestcott@netspace.net.au

Having opened my Melbourne home to many film crews over the years
I understand the teamwork required by a group of freelancers
to ensure a safe, efficient and productive shooting session

With my flexible roster at
St Vincent's Hospital
Emergency Department,

I am available

At very short notice for

Long and short-term contracts

Locally and interstate

I have nursed in a range of settings, including

Emergency and Intensive Care
Remote Area Nursing
Community Outreach
Teaching First Aid

Which leaves me well equipped to provide
quick, appropriate and comprehensive nursing care on film sets

Eben Olson, Locations Scout/Manager at Reel Locations,
is happy to be contacted to discuss my suitability as a team member for your next production.
