To do-

Merge resumes

Uhg- local agent- business side- how to coordinate how to put together plans
so putting together protocols for both- (connection between business and creative)

Showcase process driven. - stars catering- delegation- event management- partnership(sales) local agent finder

UHG- what process did I use to succeed- buzzword- inter-organisational relationships (relationship marketing I.O.R)

Interpret campaigns, then liaise with the people who need to be apart of the campaign, and then co-ordinate the people and hit schedules.

Production part- Duties- high pace of production- production management- hiring, contracts, scheduling, paperwork- government- permits, safety - ohs is met. Covid process.- fiid handling- glass dividers masks and gloves etc.
