👤 PROFILE

I'm a filmmaker and editor with experience in creating various video content, including short films, commercials, documentaries, music videos and social media content. After completing a video editing internship with Cadence Films in New York earlier this year, I am seeking the opportunity to further specialise in a post-production role. I am technically proficient with the Adobe Creative Cloud Suite (Premiere Pro, After Effects, Photoshop, etc) and aspire to create visually stunning and emotionally engaging stories.

📁 WORK EXPERIENCE

Production Intern at Cadence Films, New York

November 2024 — March 2025

I supported producers and agents by:

- Editing highlight reels for creative agency presentations.
- Handling assets for client delivery, social media and company archives.
- Researching clients and artists for upcoming campaigns.

Freelance Filmmaker, Melbourne

July 2019 — Present

- Directed, shot, and edited diverse content including music videos, promotional materials, and short films, aligning with client briefs to meet their specific needs.
- Launched Australian rapper Vince the Kid by directing his debut music video.

Intern Video Editor at WTFN, Melbourne

August 2023 — September 2023

- Re-edited and captioned TV show content like Bondi Vet and Border Security Australia for social media platforms including Meta, YouTube, TikTok, and Snapchat.
- Maximised audience engagement and platform-specific impact through tailored content adjustment.

Media Assistant at Alt. Music Group, Melbourne

October 2019 — March 2020

- Produced and edited social media content tailored for recording artists to enhance brand visibility and engage audiences effectively.
- Created advertising content that resonated with target audiences, contributing to increased visibility and engagement for recording artists.

Artist at Heard Instinct Collective / Multicultural Arts Victoria, Shepparton

January 2019 — March 2021

- Produced, recorded, and mixed original Hip-Hop compositions for festivals and independent events across Victoria, collaborating with multicultural artists.
- Created and performed original Hip-Hop compositions, showcasing versatility and cultural collaboration at various Victoria-based festivals and events.
